# Exceljuta Recruitment

We make Recruitment Easy

## Top-Notch Staffing Solutions

At Exceljuta recruitment services, we aim to hire the ideal candidate who would perfectly fit the job description. We undertake all forms of placement services that include Contract, permanent, on-site and campus recruitment. We also offer regular support through phone, chat and e-mail.

## What we do?

We hire candidates for the IT \ ITES industries. We handle both niche and vanilla requirements under both contract and permanent placements.

## Why Choose Exceljuta Talent Solution?

### Professional Expertise

Our recruiters are professionals; they are fully equipped and trained to qualify candidate's skill set to the client requirements.

### Quality Hire

Exceljuta assures you quality hire than just filling out vacant job posts. We ensure you are satisfied having saved time and energy in finding the ideal candidate.
